Title: Your future is worth a moment

Work, exercise, errands, friends and family: your days are probably busy enough already. Your pension? That can wait until later.

But a lot is already happening with your pension right now. The money you are building up for your future is invested. And you have a say in how it is invested.

That is why **Pensioen3daagse** is a good time to take a moment to think about your future. Find out how investing for your pension works and what choices you can make yourself. There are various resources available to help you get started.

Go to **nn.nl/pensioninvesting** to discover:

- an article that clearly explains how investing for your pension works, including a video;
- a handy step-by-step guide to help you get started;
- how you can get started straight away in your online pension portal.

A quick check now can make a difference to your future.
