# Overview of 2015

Granted donations and corresponding categories

# Examples of large donations

## **Ronald McDonald Centre: €10,000**

The Ronald McDonald Centre, which creates sports opportunities for disabled children, requested a donation to cover their pool. With the new roof the pool can be used all year round and has also become more environment friendly.

## **Informational video kidney disease aHUS: €7,500**

The Nierpatiënten Vereniging Nederland (Dutch Association of Kidney Patients) made an informational movie to spread awareness and knowledge about a very rare kidney disease named aHUS (Hemolytisch Uremisch Syndroom) and the impact it has on the people who suffer from it.

## **Make a Memory: €2,500**

The Make a Memory Foundation offers parents with terminally sick children or of whom the children passed away support in the form of a significant lasting memory. A network of professional photographers take photographs of the children at the request of their parents. There are no costs involved for the parents.

---

# Examples of small donations

## **Roparun: €500**

The Roparun raises money for people who are diagnosed with cancer and suddenly need a considerable amount of extra care, materials and resources . With various donations the efforts of the runners were supported.

## **lets Creatiefs/Something Creative: €500**

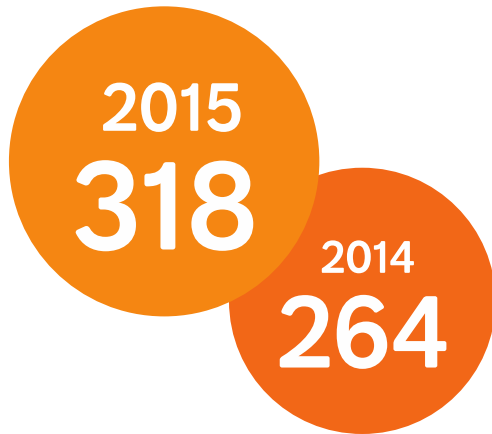

lets Creatiefs organises a week full of theatre activities for disabled children and less fortunate children during summer. With the donation the organisation was able to offer an entire day programme including lunch.

## **Tutor Foundation IBCE (Fostering of intercultural contact and education): €500**

The donation enabled foundation IBCE, which offers extra tutoring for socially disadvantaged young people in society, to purchase the necessary materials for their tutoring activities.
