

Together for Society Foundation 2020

2020 an extraordinary year

Together for Society is an employee donation fund supported by NN colleagues in the Netherlands. Colleagues can request a donation of up to € 7,500 for a charity or cause they are involved in. In a voting round, all colleagues can help decide which causes are supported. We organised an extra donation round to support initiatives our colleagues were involved in related to the Covid-19 response.

Together for Society has an ANBI status, RSIN number: 851201118

Organ Attics Foundation Rotterdam (EUR 1,920)

During the second world war, three Jewish families were in hiding in two attics behind the organ of the Breeplein Church in Rotterdam. After the liberation of the Netherlands, they left the attics, shutting the trapdoor behind them. It was only in 2006 that the attics were rediscovered. Since that time the attics have become a small museum. With our donation we contributed to the preservation of this heritage.
