## **REIMBURSEMENTS OVERVIEW AS OF 01/01/2019**

## 'Nationale-Nederlanden Start' additional insurance package (model number: 6700103)

version 1

The reimbursements provided by the 'Nationale-Nederlanden Start' additional insurance package are summarised in the Reimbursements Overview below.

This Reimbursements Overview contains several columns:

- the centre column, 'Amount reimbursed', contains amounts, quantities, hours and/or reimbursement periods. These are always the maximum amounts, quantities, hours and/or reimbursement periods. The reimbursement percentages are calculated in accordance with the statutory rates, agreed rates or the market rates applicable in the Netherlands. For more information, please refer to clause A.20. - there is a number in the last column, 'Terms and conditions'. This number refers to a clause in the Terms and Conditions of Health Insurance. This clause specifies the terms and conditions which you need to meet in order to receive the reimbursement in question.

Emergency care abroad         100% of the claimed rate outside the Netherlands/your country of residence         D.14.a.           - Emergency oral care abroad         €250 per year from the age of 18         D.14.b.           - Transport of human remains         €6,000         D.14.f.           - Sending medicines and medical aids         100%         D.14.g.           - Telecommunications costs         €350 per year         D.14.h.           - Medical advice         100% if provided by emergency service         D.14.i.           - Repatriation         100% (in the event of illness)         D.14.c.
