Nationale-Nederlanden Group Healthcare Insurance

Enjoy a discount on Nationale-Nederlanden Health Insurance

Every person is unique and has his or her own wishes and needs, also in terms of healthcare. Whether you want to be helped close to home or prefer to travel further to see a particular specialist, whether you want an immediate answer to a healthcare question or want to take the time to receive a second opinion from an international specialist – either way, Nationale-Nederlanden will help you to consider the options and make the best decision for you. Get access to the best healthcare, anytime and anywhere.

Nationale-Nederlanden Health Insurance at a discount

Visit nn.nl/grouphealthinsurance and view the discounts, free Fit module, and many more benefits.

Free choice of healthcare

You decide where you want to be treated. And wherever that is, Nationale-Nederlanden will fully reimburse the bill, as long as it falls under your insurance.

Waiting List service

Our healthcare advisors will help you find out whether you can be seen more quickly elsewhere or arrange immediate assistance for district nursing.

Zorgvergelijker (Healthcare Comparer)

The Zorgvergelijker enables you to compare waiting times, medical quality of treatments and customer experiences within the Netherlands.

Best Doctors®

If you need extra medical advice, you can request a second opinion through Best Doctors®, an international network of specialists.

Vraag de dokter (Ask the doctor)

You can use the app to ask a nurse about your healthcare concern, including in the evenings and on the weekend.

SkinVision app

Have a spot on your skin checked immediately, free of charge and without obligation. You'll receive a risk assessment within 30 seconds.

Zorggemak (Carefree Health)

Zorggemak is a collection of extra benefits just for you, and includes items such as assistance for caregivers, and discounts on health courses, fitness and the sauna.

Calculate your insurance premium

If you want to know whether Nationale-Nederlanden Healthcare Insurance is a good match for you, you can calculate your premium quickly, easily and free of obligation at nn.nl/grouphealthinsurance.

Supplementary insurance for additional reimbursements

The basic healthcare insurance policy does not reimburse everything. That's why you can expand your basic insurance by taking out a supplementary and/or dental care insurance policy. You'll then receive 100% coverage for emergency healthcare abroad, two weeks of caregiver respite, and dental accident coverage in all supplementary insurances. Find out more at nn.nl/grouphealthinsurance.

Group discount for employees

When you register for Nationale-Nederlanden Healthcare Insurance, you'll benefit from:

- Discount on basic healthcare insurance
- Discount on supplementary and dental insurance
- Free Fit module
